1999 An ECOWAS Summit takes place in December, where the member states agree upon a Protocol for the Establishment of a Mechanism for Conflict Prevention, management and resolution, and peace and security.. This is what the ECOWAS environmental policy aims to achieve Context The formulation of this policy was carried out according to the following stages:.. The main objective of the West Africa – European Union EPA is the establishment of a free trade area between Europe and West Africa (ECOWAS + Mauritania) in accordance with Article XXIV of GATT, through the gradual removal of trade restrictions between the two trade partners.
